

Joshua Iz feat. Diz 'It Iz What It Iz'

one big universe
everlasting life

information in a code
a seed for love

(a) collective dream
a place for everything

big hearts in a small world
that's how its got to be

it iz what it iz (what it iz)
it iz what it iz (what it iz)
it iz what it iz (what it iz)
it iz what it iz (what it iz)

instinct innocents
out of the wild

struggling with circumstance
fighting for love

(a) collective soul
a piece in everything

big hearts in a small world
that's how it's got to be

it iz what it iz (what it iz) x4

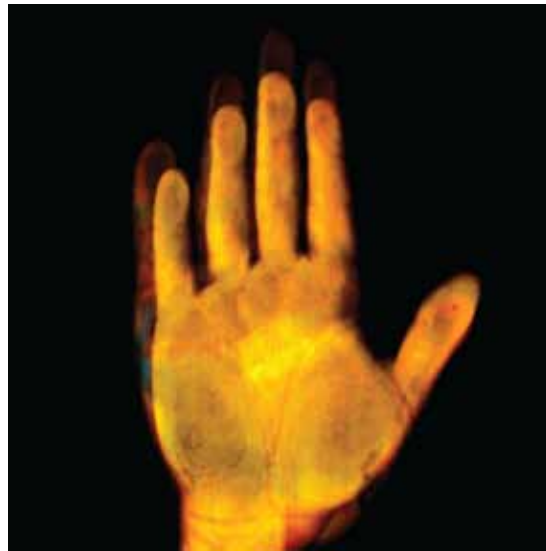

so much energy
coming from history

sunlight covenant
surrounded by love

collective destiny
together you and me

big hearts in a small world
that's how it's got to be

it iz what it iz (what it iz) x4
